**Request to Accept Donation from Sprite Spark Parks and Albertson's Get Courts  
Back in the Game Promotion**

In March 2012, the National Recreation and Parks Association (NRPA) requested the Los Angeles County Department of Parks and Recreation's (Department) participation in the Sprite Spark Parks and Albertson's Get Courts Back in the Game Promotion. To participate, the Department identified three basketball courts and provided photographs to NRPA that demonstrated the needed repairs.

On May 23, 2012, Mona Park, located at 2291 E. 121<sup>st</sup> Street in Willowbrook, and Val Verde Community Regional Park, located at 30300 W. Arlington Rd in Val Verde, were selected to receive funding. Each park will receive \$5,000 to repair their respective basketball court surface.

To confirm acceptance of the funds, the Department must sign and return a Memorandum of Understanding agreeing that the funds will be used to repair the basketball courts at the facilities mentioned above.

**WE THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:**

1. Accept the \$10,000 donation from Sprite Spark Parks and Albertson's Get Courts Back in the Game Promotion; and
2. Delegate authority to the Director of the Department of Parks and Recreation, or his designee, to execute a Memorandum of Understanding with the National Recreation and Parks Association.
